Khloe admits to always being self-conscious about her teeth. Dr. Kevin Sands helped Khloe out and she used Invisalign to make her teeth straight. Khloe now thinks her teeth look perfect. Khloe was just not happy with the way that they were before and now she loves them.

Her teeth honestly didn't look bad before, but now that she has used braces they are perfect. She did what she needed to so that she would be happy with herself. Khloe Kardashian has actually worked really hard to lose weight lately too and change her looks. She will no longer be called the fat sister.

A lot of stars have decided to get braces at an older age. What do you think of Khloe Kardashian's new braces? Sound off in the comments.
