By DAILYMAIL.COM REPORTER PUBLISHED: 21:56 EST, 22 July 2016 | UPDATED: 02:17 EST, 23 July 2016

She's known for never having so much as an eyelash out of place. So when Kim Kardashian chipped her front tooth on Friday, she joked on social media that she needed to call 911.

Obviously the 35-year-old didn't phone the emergency services, but she is seen in the dentist's chair ahead of getting the issue fixed.
